## ShodashVarga Charts

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

## Navamsa Reading

At the time of your birth the astrological configuration was Sagittarius Ascendant ( Lagna ) on the rise with Gemini Navamsa and Sagittarius Dreskana in the third Pad of Moola which projects you as a person effusing health, wealth and happiness. Undoubtedly, you are born lucky.

You have everything going in your favour. You are endowed with an attractive personality, you are an interesting conversationalist having a high sense of humour, you are not afraid of telling the truth in public even if it rubs others on the wrong side and you will have a happy home.

What more can an individual ask for? Well, you can ask for unimpaired health, as there are indications that you may be stricken in later years with diseases like gout, ulcers, rheumatism and apoplexy. If you don't take advance precautions against them, you will be sorry.

Better develop from now on an interest in religion and philosophy and cultivate a sense of detachment. Since you are god-fearing and learned, you can make a deeper study of the philosophy of life and contribute as much for charity as you can.

It is during your 27th or 31st years that you may hit the jackpot. Either or those two years will bring immense benefits to you. Concentrate at those times on organising seminars and group discussions, as you have good organisational ability, with the additional qualifications of being an impressive orator and a clever go-getter. If you come out with flying colours in this, then you can hope to prosper further in whatever your profession, because not only would your reputation have enhanced, your circle of contacts too would have widened.

Though you will have an understanding spouse and good children, all may not be smooth sailing for you at home. This is because you get irked by petty things and lose your temper quickly with the result you may find yourself isolated. Learn to check your outbursts.

The professions that suit you are becoming an advocate, writer, orator, politician or religious preacher.

Barring Monday and Tuesday, which may portend minor troubles and losses, the rest of the week days are favourable to you.

Since numbers play an important role in your life, rely on 3, 5, 6 and 8, avoiding 2, 7 and 9.

The colours you would do well to opt for are white, cream, orange, blue, green and emerald. Red, pearl and black don't suit you.

It is probably because of your popularity with others that you like to spend more time outside than at home.

You are adept in managing your family affairs. You dont unnecessarily interfere in your partners affairs and treat the children like friends. If and when a controversy crops up, you handle it tactfully and solve it to the satisfaction of everyone concerned. Rarely, however, your spouse may be given to losing temper and even becoming aggressive, but since you are not rigid but flexible, you will adjust yourself according to the situation and everything ends well. It is due to your smooth behaviour that your spouses outbursts dont last long.

In spite of your unbounded affection for your family, you are an individual who loves to retain personal freedom, more so in your activities beyond the walls of your house. This is probably the reason you attain maturity rather late in life.

Seeking change in everything all the time is part of your basic nature. So, you are apt to switch jobs and professions which will fortunately turn out to be fruitful.
