### ShodashVarga Charts

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

### Manglik Vichar

In the boy or the girls horoscope when Mars is in ascendant, fourth house, seventh house, eighth house or twelfth house then it is called Manglik dosh.

Manglik dosh is considered stronger when Mars is placed in the ascendant than when Mars is conjoined with Moon in ascendant. If according to the Shastras the Manglik dosh of both the boy and the girl is getting cancelled then they are guaranteed a happily married life. On the other hand, if this Manglik dosh is not cancelled then they are likely to face unnecessary problems and hurdles in life. So one must begin his/her married life after getting their horoscopes thoroughly matched. After getting the Manglik dosh properly cancelled the native shall be bestowed with a peaceful and wealthy life.

\*\*\*\*\*

In your horoscope, at the time of birth, Mars was placed in the eighth house so you are a manglik. And since in your horoscope the dosh is not being cancelled, with its effects you may have to suffer from diseases caused due to blood disorder or bile. You may have disputes with your husband due to his aggressive nature but your differences will never be serious. With its effect your marriage may be slightly delayed and even at the time of settlement there may be breaks. But after marriage your life will be peaceful and happy.

Due to the effect of Mars' aspect over eighth house you may have to suffer from diseases caused due to excessive heat. You may have to work hard for even minor success. With the effect of Mars' aspect over eleventh house there may be an inflow of money from various sources. Your financial position will be good. Due to Mars' aspect over second house there may be disputes within the family. Your voice will be sweet. Mars' aspect over third house indicates that you will get the cooperation and support from your brothers and sisters occasionally.

To make your married life happier, you must marry such a manglik man with whom your manglik dosh gets mutually cancelled. For this, in the boys horoscope Rahu and Saturn should be placed in the manglik houses viz. first, fourth, seventh, eighth and twelfth houses. So if you start your life after getting the manglik dosh cancelled then your married life will be peaceful.

#### Physique, Personality, Appearance & Nature

The outstanding feature of your personality, as you are under the Virgo sign, is you look much younger than your age. That is your trump card in your long, eventful life.

Lean and lanky, with a prominent forehead, your eyes radiate honesty and sincerity. A straight nose, bushy eyebrows, dark hair and an athletic body provide a youthful touch to you. The only snag is you will have a thin and shrill voice which doesn't match with your general appearance.

You will enjoy robust health because you are very particular about avoiding disease. Hence, you always walk briskly, to avoid a bulging paunch. Since your stomach and the nervous system are pretty sensitive, you will have to be choosy in your intake of food. Eat at regular intervals instead of as and when you like and restrict your diet to vegetarian. Under any circumstance don't touch liquor and don't go anywhere near any kind of drugs. Take vitamin B.

Talkative by nature, you rub others the wrong way by endless criticism of the observations and actions. Put a check on it, otherwise, you will alienate your business associates and friends. A conservative, you are so calculating that you want to go into the minutest detail of everything. If you abandon this approach, it will be to your advantage. Another trait you will have to give up is fickle-mindedness because of which you lack consistency of purpose. You will have to first set your sight on a clear goal, work out a strategy and implement it with single-minded purpose, instead of suddenly getting upset and changing jobs. You confuse yourself by seeking the advice of any number of people on any given issue and consequently act in a haphazard manner. Accept the suggestions of any one person and act decisively on them which will turn out to be fruitful.

#### Mother, Conveyence, Property, Education

At the time of your birth, the Sagittarius sign was rising in the fourth house. The general trend indicated by this is that you will be brought up in a typical Indian home, in which the mother dutifully plays her conventional role. She will be an obedient wife to her husband, not interfering in his affairs, but advising him only when the occasion warrants it. And she will be a loving mother to the children, sparing no effort to provide them with the atmosphere required for achieving high academic qualifications. On your part, you will live up to her expectations, scoring a top degree in literature, science, accounts, mathematics or statistics. You may also gain some knowledge about the occult sciences, there by possessing some power of intuition.
