Remedies of Lal Kitab

How and When to Do ?

How and when the remedies described in the Lal Kitab should be performed?

1. Remedies should be performed during the day--in between sunrise to sunset. They might cause evil effects if performed in night. Only for the lunar eclipse, they might be performed in night.
2. No certain day such as Monday or Tuesday etc. Sankranti, Amavasya or Poornima is considered to start the remedies.
3. Any of your blood relations as brother, sister, parents, grandfather, grandmother, son or daughter etc. can perform the remedies. This will be fruitful.
4. A remedy a day is advised. Crossing one mark will not be fruitful and even the things done earlier may fall flat.
5. Pay special attention to the restraints advised, i.e. you should not consume meat, fish and liquor. Keep your conduct firm. Don't speak lies; don't take or feed leftover food and don't keep your intention mala fide. For a man, it is advised not to establish relations with another man's wife and likewise a woman should not establish relations with a person other than her husband.
6. A remedy should be performed up to the point of time it is fixed for.
7. If you have to stop performing the remedies for some unavoidable reason, wash some rice grains with milk and keep them with you tied in a piece of white cloth a day before you stop performing the same. Offer the grains to a place of worship or drop the same into flowing water or in a garden if you restart. If done so, the remedies will be supposed to be complete and will yield good results in all respects.
8. A remedy has to be performed for 43 days or 43 weeks or 43 months or 43 years. If it is discontinued even on 39th day, all the things done earlier will prove to be futile or you may not get good results.

Navamsa Reading

At the time of your birth the astrological configuration was Sagittarius Ascendant (Lagna) on the rise with Gemini Navamsa and Sagittarius Dreskana in the third Pad of Moola which projects you as a person effusing health, wealth and happiness. Undoubtedly, you are born lucky.

You have everything going in your favour. You are endowed with an attractive personality, you are an interesting conversationalist having a high sense of humour, you are not afraid of telling the truth in public even if it rubs others on the wrong side and you will have a happy home.

What more can an individual ask for? Well, you can ask for unimpaired health, as there are indications that you may be stricken in later years with diseases like gout, ulcers, rheumatism and apoplexy. If you don't take advance precautions against them, you will be sorry.

Better develop from now on an interest in religion and philosophy and cultivate a sense of detachment. Since you are god-fearing and learned, you can make a deeper study of the philosophy of life and contribute as much for charity as you can.

It is during your 27th or 31st years that you may hit the jackpot. Either or those two years will bring immense benefits to you. Concentrate at those times on organising seminars and group discussions, as you have good organisational ability, with the additional qualifications of being an impressive orator and a clever go-getter. If you come out with flying colours in this, then you can hope to prosper further in whatever your profession, because not only would your reputation have enhanced, your circle of contacts too would have widened.

Though you will have an understanding spouse and good children, all may not be smooth sailing for you at home. This is because you get irked by petty things and lose your temper quickly with the result you may find yourself isolated. Learn to check your outbursts.

The professions that suit you are becoming an advocate, writer, orator, politician or religious preacher.

Barring Monday and Tuesday, which may portend minor troubles and losses, the rest of the week days are favourable to you.

Since numbers play an important role in your life, rely on 3, 5, 6 and 8, avoiding 2, 7 and 9.

The colours you would do well to opt for are white, cream, orange, blue, green and emerald. Red, pearl and black don't suit you.

Your lack of interest in occultism may stem from the fact that you may have had no experiences at all with the occult although you had experimented with the occult.

Although Sagittarius Lagna indicates property gain, because of this placement of Ketu, you will inherit no property at all. Neither will you have any property of your own.

You will not benefit by way of dowry at the time of marriage. Probably you yourself may not want it, to preserve your dignity. But it will make the expense of daily life harder for you and your spouse to bear.

You will not have enough money to go in for insurance but it will not be wise as both robbery and accidents are indicated in your chart. You will live the medium life span. Death is likely through an accident.
