SC.ST/PH applicants should enclose self-attested copy of a valid certificate from the competent authority
(with English translation, if in languages other than Hindi)

A candidate in order to be eligible for any concession/ benefits under the Physically Challenged (Handicapped) category, should have minimum 40% degree of disability. Further the certifying authority in such cases shall be a medical board at the district level consisting of the Chief Medical Officer/ Sub-Divisional Medical Officer in the District and an expert in the specified held viz Ophthalmic Surgeon in the case of visually challenged, ENT Surgeon or Audiologist in case of speech and hearing, challenged. Surgeon or Specialist in Physical Medicine and Re-habilitation in case of locomotor challenged. The degree of disability of the candidate selected under the category may also be verified by a Medical Board.

ITEM 2.

The Study Proposal, should be in English, preferably typed or word-processed and should be of about 2000 words(Guidelines for research proposal is attached at last). It will be evaluated in terms of the reasoning and economic insight; it will be a tool for us to assess your research interests. Further, the interview will ascertain whether research on the proposed subject can be profitably pursued and suitably undertaken at MU and you possess the competence for the proposed research.

While we encourage you to be innovative in approach and presentation, we expect your write-up to have a critical understanding of the body of knowledge in the subject area and to be specific in terms of study issues and objectives and some understanding of the analytical framework and data

Applications without research proposal will be summarily rejected.
