Remedies of Lal Kitab

How and when the remedies described in the Lal Kitab should be performed?

1. Remedies should be performed during the day--in between sunrise to sunset. They might cause evil effects if performed in night. Only for the lunar eclipse, they might be performed in night.
2. No certain day such as Monday or Tuesday etc. Sankranti, Amavasya or Poornima is considered to start the remedies.
3. Any of your blood relations as brother, sister, parents, grandfather, grandmother, son or daughter etc. can perform the remedies. This will be fruitful.
4. A remedy a day is advised. Crossing one mark will not be fruitful and even the things done earlier may fall flat.
5. Pay special attention to the restraints advised, i.e. you should not consume meat, fish and liquor. Keep your conduct firm. Don't speak lies; don't take or feed leftover food and don't keep your intention mala fide. For a man, it is advised not to establish relations with another man's wife and likewise a woman should not establish relations with a person other than her husband.
6. A remedy should be performed up to the point of time it is fixed for.
7. If you have to stop performing the remedies for some unavoidable reason, wash some rice grains with milk and keep them with you tied in a piece of white cloth a day before you stop performing the same. Offer the grains to a place of worship or drop the same into flowing water or in a garden if you restart. If done so, the remedies will be supposed to be complete and will yield good results in all respects.
8. A remedy has to be performed for 43 days or 43 weeks or 43 months or 43 years. If it is discontinued even on 39th day, all the things done earlier will prove to be futile or you may not get good results.
9. Make it a point to perform the remedies, according to your Varshakundali to weaken the malignity of the inauspicious planets in your horoscope, within 40 to 43 days from your birthday.
10. Don't break ancestral customs and abide by the Sanskaras.

Detailed Analysis of Gems

औषधि मणि मंत्राणां, ग्रह-नक्षत्र तारिका ।
भाग्यकाले भवेत्सिद्धिः अभाग्यं निष्फलं भवेत् ॥

Medicine, Gems and Mantras are effective in overcoming the diseases caused by planets and stars. If the time is favorable the expected results are obtained otherwise all these remedial measures turn useless.

A Gem enhances the physical charm of the wearer and increases the power and reduces the malefic influence of planet with its mysterious powers. The flow of radiations emitted by planets in our body gets enhanced with the power of gems. Therefore, those planets which are auspicious in horoscope but lack strength can be strengthened by wearing gems. But contrary to this the gems of inauspicious planets multiply the malefic effects of such inauspicious planets. This is the reason because of which astrologers advise complete relinquishing of the gems of inauspicious planets in horoscope.

A planet is considered favorable when posited in Lagna, Trikona or Kendra or has the lordship of these houses. This is inauspicious if connected to Trik Bhava. The conjunction and aspect of friendly planets also enhances its auspiciousness. The lordship of a Badhak Bhava reduces its beneficence. In movable Lagnas 11th, in stationary Lagnas 9th and in dual Lagnas the 7th house is termed as Badhak Bhava. The placement of planets in their enemy sign or sign of debilitation also decreases their auspiciousness.

For any horoscope the gem of Lagna lord is known as life stone by wearing which the wearer gets good results like attainment of good health, development of personality and enhancement of reputation. The gem of 9th house lord is termed as lucky stone by wearing which the development of destiny can be expected along with enhancement of status. Similarly the gem of Yoga Karaka planet is Karaka gem and has enough potential to give financial gains and progress in the task undertaken along with all round development.

For the gratification of various desires one might need to wear more than one gem. The detailed information about which gem would yield what type of results in your horoscope has been given below. In addition to that the method of wearing has also been given along with the names of the other gems that can be worn with it. You can attain maximum success in life with right selection of gems.

A clear gem with clear cutting can absorb more radiations therefore the gems of good quality only are capable of giving completely beneficial result. The weight of the gem should be in proportion to the weakness of the planet and body weight. If the planet is very weak then the weight of gem should be heavier. Except diamond all the gems should be touching the skin.

Gems worn in fingers in specific metal prove most beneficial.

If because of some reason one needs to remove the gem then it should be placed in a safe place after washing it with Gangajal on the day of it. If gem gets misplaced or stolen away then it is an indication of the removal of the malefic influence of the planet. Similarly if the gem loses its charm then again it also indicates the same. If the gem cracks then it means that the planet for which it is worn is very effective and in this situation this specific planet should be propitiated and the gem should be replaced by a new one.

For attaining the auspiciousness of inauspicious planets in the horoscope the remedial measures like wearing of Rudraksha, Mantra chanting, donation of its Karaka article, Jal Visarjan and fasting etc. can be recommended. If because of some reason you are incapable to wear the required gem then wear the Rudrakshas or semiprecious stones as substitute for this gem or else increase the strength of the planet by Mantra chanting, donation or fasting. The desired benefits are obtained by wearing the gem of auspicious planet and by Jal Visarjan and donation of the article or grain of inauspicious planets.

Planet Reading

Planet Reading clearly indicates the individual role of each planet in the horoscope.

In this section the planetary predictions are given on the basis of the placement of planet in a specific house/sign in your horoscope. It clearly indicates the individual role of each planet in your horoscope. When you come to know about the role of each planet you can have an idea about your real potential. In addition to that you also come to know about your weak points. This information helps you in deciding the course of your life as you are aware of the possibilities of rising in a specific direction.

Personality Analysis

A life of fun and frolic, mirth and wealth is on the cards for you as per the astrological configuration of Pisces Ascendant (Lagna) with Virgo Navamsa and Pisces Dreskana in the second Pad of Uttara Bhadrapada at the time of your birth.

Almost everything is lined up in your favour. It is up to you to make positive use of it and make a success of life by attending to the job on hand promptly and with dedication. This aspect needs to be stressed as you attach much too much importance to sex. If you are not cautious, sex may land you in a fix. You have got to suppress the urge to paint the town red as that will not only upset your family balance, it will also make you lethargic, in which event your work will suffer.

But, if you lay off this temptation, then you can make very good progress. You can amass wealth, which will consist not only of your own earnings but also acquired property. You have the ability to crush your enemies if they try to throw a spanner in your works.

Not only can you have a blissful home, you can also collect good circle of friends, as you will be a member of social clubs. Courteous and hospitable, you will be popular with your friend. But here you may encounter a problem. You are a person who pins abundant faith in others' promises and expects positive results. When the friends keep their promise, well and good. But what if they go back on them? This is exactly what will happen as some, who are close to you, will let you down in times of your need. Hence over reliance on others should be avoided.

If you toe a sober path, your own family members, as also the general public, will admire you for your qualities of generosity and charitable disposition.

Religious minded, you will visit holy places and as age advances, you will become pious and evince interest in philosophy and the occult sciences. You will acquire so much knowledge about these subjects that you can be, if you so choose, a mini preacher.

Three days of the week - Monday, Thursday and Tuesday are highly favourable to you. Sunday is average. The other three are not too good You can pin your faith on numbers 1, 3, 4 and 9 but under any circumstance not on 8.

Yellow, red, rose and orange favour you, but the colour that doesn't fit with your make-up is blue.

Every horoscope is divided into 12 divisions which talk about various areas of life like Health, Longevity, Wealth, Property, Career, Education, Income, Social Life, Parents, Enemies, Marriage and Expenses etc. These divisions are known as houses. The house reading is based on three important factors i.e. house, house lord and karkas of the house. This section will give you accurate information and predictions for the portfolios signified by each house. You might be getting good results in your life during an auspicious period & similarly those can be bad too depending upon the nature and position of house lord the period of which is in operation.

Physique, Health & Nature

Persons born under the Pisces sign are generally of average height, sporting a plump body with rather short limbs. Their fleshy face shows a wide mouth, protruding eyes and soft hair.

Pisceans will invariably be addicted to liquor, because of which they will be prone to suffer from gastric troubles, varicose veins and guineaworms, in addition to affliction of bile and feet. If they don't adopt a sober approach, they may invite tuberculosis and tumours.

God-fearing, it is in their nature to resist any opposition to orthodoxy. Highly superstitious, they are sticklers in observing religious rites and festivals. Though outwardly timid, they are very stubborn in seeing to a successful conclusion their philosophical pursuits. But in all this they will be noble enough to make sure they don't harm others.

In material terms, Pisceans rarely realize their ambitions. They are destined to shine in borrowed feathers, but their splendid quality is they make it appear like the fruits of their own efforts. This is a natural consequence of their toeing a just and honest path without treading on the corns of others, as they believe in fair play and honesty. Only, suddenly they get disheartened and become melancholic when their labours don't yield the desired results. They become almost morose, even despondent and philosophical, and leave it at that. It is at such times that they pin all their faith on persons whom they consider as their closest allies. Then they sustain a shock because those on whom they had banked all along turn out to be unreliable and selfish. This makes them even more philosophical and desperate. The lessons to be learned in all these is to see that you weigh the pros and cons of issues in their proper perspective and then act in a decisive manner.

The presence of Mercury in the first house shows that while you will be fortunate in various fields, you will have a rather weak constitution which can't resist diseases.

Due to that, you may experience bouts of depression. Your mind otherwise will function very well. It will be receptive to new ideas. It can systematically and intelligently analyze and assess issues which will make you adopt a diplomatic stance on ticklish matters. Whether at home or at work, the one and only thought uppermost in your mind is love and sex. No doubt you can afford to pay the maximum attention to the romantic side of life, as you are not only endowed with an attractive personality, you also have adequate resources. Yet, being shrewd, you will keep money in reserve for your old age.

It goes to your credit that you pour your entire affection on your spouse and, more importantly, you convince your partner of it. Sincere and true, you will go all out to ensure a happy, harmonious home. You prefer a handsome spouse to an intelligent one. If you have a brainy partner, then your matrimonial ties may be under strain because of a quarrel in your nature. And that is your highly suspicious bent of mind. You are such a Doubting Thomas that you see ghosts in almost everything. You look upon with suspicion each and every move of your partner and go on imagining things. If you don't banish this trait from your system, you may spoil your own happiness. You have to have absolute faith in your mate and live happily.

As you have good business acumen, you may, if you prefer it, launch your own venture. This can be done as an independent project or in addition to your job. The professions that suit you are being an accountant, bank officer, dealing in cinema, and cosmetics or medicine.

The best of the lot are banking and accountancy. Among the others are being an administrative or liaison officer in government or a public sector corporation, or becoming a lecturer. If the native is inclined to enter into business, then it would be advisable to deal in oils, soft drinks, beverages, chemicals, medical equipment or cosmetics.

But keep clear of politics, of any kind. If not, you may invite trouble. This aspect needs to be stressed, as there are hints that you may take an active part in office politics which will not bring beneficial results, but actually retard your progress.

In the event of finding yourself in the midst of a controversy, avoid getting into litigation, as it will be counterproductive.

You are lucky to have a good father whose qualities are worthy of emulation. He is free, frank and fearless, and goes about his work in a planned manner. He is also sympathetic to others feelings and will be generous and charitable.
